My name is Jesse Goo, I am Hawaiian & Fishing & all Other Ocean activities have always been a way of life for generations in my family. How can you even think of taking this away from me, my family & my ancestors. How dare you even try. Remember the saying No Hawaiians No Aloha, well with no fishing theres No Hawaiian way of life period. How dare you. The U.S. already Stole our land, now you NOAA want to take our way of life, A way to feed our Families our OHANA, How Dare You!
