10-13-2010

Dear Noaa Staff,

Please have more meetings where Shoreline fisherman, divers & Surfers have a chance to thoroughly review your plans. I'm a lifetime Shoreline fisherman, the little that I catch I share with my family & friends I'm not in it for the money. Our voices have to be heard. Don't proceed without more informed input.

Mahalo,
Ray Catania 821-4492
