Hawaiian Islands Humpback Whale National Marine Sanctuary
Management Plan Review Public Scoping Meeting Comments

Name: Star Newland Date: August 9 2010

Island: Hawaii Meeting Location: Hilo

Contact Information 808 896 8658 sirius institute@yahoo.com

Comments: Why did Governor Cayetano cut back the boundary?

On proposed vision Sharks need to be added to list of species to preserve.

What about superferry as a threat?

Theme to strengthen the wellbeing of the Sanctuary by what we do on land.

Is there any overlap between this scoping meeting & the Navy Scoping mtg. Aug. 24th

Relationship between Sperm whale & Sandalwood tree.

Again connect show we tend farms & stock on land & the way in water.
