

## Maritime Heritage Working Group

### *Meeting Agenda*

**Date:** 05/23/11

**Start Time:** 03:00 PM

**End Time:** 04:00 PM

**Meeting Method:** Conference Call, Go-To Meeting

**Meeting Objective:** Continue discussion of maritime heritage resources: protecting the heritage resource. How can public resources be shared and enjoyed and at the same time protected from intentional or inadvertent damage or loss?

### **Agenda**

- Further/other comment on last meeting?
- How to avoid inadvertent impacts (anchor damage, poor diving practices, etc)
- How to avoid intentional impacts ("treasure" hunting)
- Does responsible public access imply the need for a heritage resource monitoring program?
- Should all known heritage sites be open to public access (data made public)?
- Who is responsible for protecting what? (state resources; navy resources; cultural resources; preservation stewardship from the public sector?)
- Who does enforcement? How is protection of heritage resources enforced?
- Are the existing resource preservation mandates adequate? Does the sanctuary need to endorse the existing preservation mandates?
