

Aloha Friend of the Hawaiian Islands Humpback Whale National Marine Sanctuary:

We are in the process of filling vacant seats on our sanctuary advisory council. Beginning immediately, we will accept applications for council membership.

The Hawaiian Islands Humpback Whale National Marine Sanctuary Advisory Council was established pursuant to Federal law to ensure continued public participation in the management of the sanctuary. The Sanctuary Advisory Council (SAC) was established in March 1996 and has a broad representation consisting of 36 primary members. The council represents the coordination link between the sanctuary, the state and federal management agencies, Native Hawaiians, researchers, educators, policy makers, and other various groups that help to focus efforts and attention on humpback whales and their habitat.

Enclosed is our sanctuary advisory council application kit. Council terms are for three years. Please note that if you have been a federally registered lobbyist in the two year period before your potential appointment date to the council, you will not be eligible to serve on the sanctuary advisory council.

We are looking forward to receiving completed applications emailed to Sara Wood at [sara.wood@noaa.gov](mailto:sara.wood@noaa.gov) by September 1, 2023. Applications will be reviewed by a preliminary review panel consisting of the SAC selection subcommittee. The panel will help us narrow down the number of candidates for each seat to the top three. Of these, a member and an alternate will be chosen, and officially notified of their selection.

If at any point you have a change in circumstance that will not allow you to serve on the council, please notify Sara Wood at [sara.wood@noaa.gov](mailto:sara.wood@noaa.gov). Also feel free to contact Sara if you have any questions about the sanctuary, the council, or the council member selection process.

Sincerely,

*Kim S Hum*

## Hawaiian Islands Humpback Whale National Marine Sanctuary Advisory Council Application Form

**Before applying for sanctuary advisory council membership, please review:**

1. [Sanctuary advisory council charter](https://hawaiihumpbackwhale.noaa.gov/management/advisory/) available online at <https://hawaiihumpbackwhale.noaa.gov/management/advisory/>;
2. Office of National Marine Sanctuaries (ONMS) *National Marine Sanctuary Advisory Council Implementation Handbook* available online at <http://www.sanctuaries.noaa.gov/management/ac/acref.html> (or you may obtain a copy from your local sanctuary); and
3. Importance of Diversity Statement:  
*“Whether within a natural ecosystem or a human community, diversity creates strength and resilience. NOAA’s Office of National Marine Sanctuaries values the remarkable diversity of knowledge, perspectives, and experience found throughout sanctuary communities, and invites a wide range of individuals to seek membership on our sanctuary advisory councils. With a diverse membership, advisory councils can broaden access to understanding and participation in marine conservation and governance, foster innovation and creative problem solving, and can help advance the mission of the National Marine Sanctuary System.”*

Sanctuary advisory councils advise and make recommendations to the Office of National Marine Sanctuaries on issues regarding the designation and management of national marine sanctuaries. The charter outlines the purposes and governs the operation of the sanctuary advisory council. The handbook provides broader operational requirements for sanctuary advisory councils. In applying for sanctuary advisory council membership, you are agreeing to abide by the terms of the charter and the handbook if you are selected as a council member or alternate.

For those applicants who are considered for selection, the Office of National Marine Sanctuaries will conduct a LEXIS/NEXIS check and a departmental bureau check for potential criminal, political exposure, judgment/lien, adverse media, NOAA enforcement action, and conflict of interest issues. Additional information and guidance regarding the use of the information you submit on this form and its availability under federal law can be found at the end of this form. Please review this information.

For the positions listed in this application, sanctuary advisory council members and alternates must be 18 years of age or older.

Please note, under 18 U.S.C. § 205, federal government employees are not allowed to participate on sanctuary advisory councils in their personal capacities. Federal government employees may be appointed or selected by their affiliated agencies to represent their affiliated agencies in their professional capacities when an advisory council charter includes seats for their affiliated agencies. Special restrictions apply to applicants who are military reservists but are not otherwise employed by the federal government; for additional information, please contact [sara.wood@noaa.gov](mailto:sara.wood@noaa.gov).

State employees and members of a state legislature are allowed to apply to sit on sanctuary advisory councils in a personal capacity. State agency employees must provide a letter of support on official agency letterhead from their state supervisor at the time they submit their applications but members of a state legislature and public university or college employees are not required to provide such letters of support.

Members of state legislatures are not required to provide such letters of support. State agency employees, members of a state legislature, and local government employees should contact their respective officials to ensure that their state, local government, or employer does not have additional or conflicting laws, regulations, or policies about applying for a position on a federal advisory council.

Please indicate which advertised seat(s) (e.g., Research, Education) you are applying for, provide your contact information, and respond to the questions below. The Office of National Marine Sanctuaries may consider applicants for seats and positions for which they have not applied if the Office of National Marine Sanctuaries believes they are qualified for that seat and are willing to serve in it.

**The application deadline is September 1, 2023.**

Please return all pages of your completed sanctuary advisory council application form, and any attached statements or documents, to: Sara Wood, [sara.wood@noaa.gov](mailto:sara.wood@noaa.gov), (808) 807-2557.
